

Defund HUD racial and income housing quotas

I, _____, pledge that as a member of Congress I will vote to defund implementation of the Department of Housing and Urban Development (HUD) regulation, “Affirmatively Furthering Fair Housing”—a rule that will empower Washington, D.C. to condition eligibility for community development block grants on rewriting zoning rules to create evenly distributed neighborhoods based on racial composition and income, even if that means government-subsidized, high-rise, low-income apartments being built in the middle of suburban neighborhoods.
