U.S. Attorney General Jeff Sessions
U.S. Department of Justice
950 Pennsylvania Avenue, NW
Washington, DC 20530-0001

Dear Attorney General Sessions,

Allison Hrabar is a paralegal at the Justice Department who has been exposed in an undercover Project Veritas video ¹ using government resources to research and target political opponents for protests at their homes. This video demands swift action by the Justice Department to send a clear message that this will not be tolerated by any employee at the department.

This must never be allowed to happen again.

Sincerely,

Rick Manning
President
Americans for Limited Government
